SAVE THE DATE

In the interest of providing the very best multi-discipline gang training, the CGIA, the ATF, the FBI, and the Los Angeles County Sheriff's Department have once again joined together in a cooperative effort to bring this training to a national forum. This year's conference will provide a training setting from a national perspective of a full service management of street gangs and their criminal activity. Training will explore approaches in enforcement and prevention. All training for attending personnel, no matter the discipline, will be the most current and relevant available in the nation.

Conference registration fee is \$295 per person for members and \$320 for nonmembers. This includes an annual CGIA membership fee for law enforcement professionals, conference materials, handouts and a certificate of completion.
